WOW!

The best of all we have to offer. 2 videographers will provide Unlimited Comprehensive coverage of your wedding day. Additionally, an editor will be tucked away on site editing footage as your day is being recorded. Before the wedding day we will prepare a Photo Montage showing your two lives growing up and coming together. This montage will be shown at the reception, but with a surprise ending; a breathtaking video revealing highlights of the day recorded up to that moment that was edited in secret on site. Your guests will be blown away! Even though your guests and family are witnesses throughout the day, they will not see what our cameras see and the impact of these scenes artfully set to music will touch their hearts in a special way. Many have been moved to tears.

Two Videographers record:

- Pre-Ceremony
- Ceremony
- Reception
- NO Time Limit
- Third Ceremony Camera

Includes:

- On-Site Editor
- Photo Montage with Wedding Day Highlights
- Projection of the combined Montage at Reception
- Highlights Recap 2
- A short video that shows the highlights of your day to share with your loved ones when the day is over.*

PHOTO MONTAGE & CONCEPT VIDEO OPTIONS

Begin your wedding video by saying something special about the two of you, your love and your relationship. Consider one of the options offered below as a prelude to the actual coverage of your wedding day. These montages and video shorts can also be produced in advance to be shared with your guests on your wedding day.

PHOTO MONTAGE- Is comprised of pictures you provide from birth through courtship. Set to the music of your choice and enhanced with graphic text and digital transitions, this photo montage captures two separate lives that come together as one. Parents love this feature.

\$3/photo, \$10/song.

FATHER-DAUGHTER MONTAGE- A tribute to the special relationship between a daughter and the Father of the Bride. We will take photos of daughter and dad and make a montage set to the song you two will dance to on the wedding day. Not only will this make a special segment in your video, but it can also be projected in the background at the reception during the Father – Daughter dance. Tissues not included. Of course this is also available for the groom and his mom.

\$3/photo, \$10/song.

CONCEPT VIDEO - A Concept Video is a scripted video with a story tell. Something about the two of you, or your family or bridal party.
